Honorable Robert W. Pratt:

I did not get a notice in the mail but I read about the settlement. I reviewed my records and determined that Wells Fargo charged me inspection fees. I object to the settlement in *Young v. Wells Fargo & Co.*, Case No. 4:08-CV-507 RP-CFB (S.D. Iowa) for two reasons. The notice doesn't give any information about the size of the class or my estimated recovery so it is impossible for me to determine whether or not the settlement is a good deal. Also, a 33 1/3% attorney's fee is way too large. I think that attorneys fees should be 15 or 20%. That way there would be millions of more dollars for me and the other class members.

Sincerely,

Jennifer Deachin
